Hello Colleen,

I will let John know Mark will be coming as well and if John has any questions he can bring them up. We should have plenty of time.

Thanks,
Mike

Hi Mike:

I believe Lisa told you that Mark Hall with the DEQ Hazardous Waste Program is coming up tomorrow. And I know there were some questions, both in the last public meeting and during some of our conference calls, regarding the status of the AOC between DEQ and Calbag/Glencore for the pot liner removal. If you think it would be at all beneficial to include some time for questions on that topic during either meeting, please let me know. I know that John Stroiazzo in particular had questions about the status of the AOC that I was not able to answer at the time. If he would like to hear it straight from Mark, this would be a good opportunity.

Hi John,

We discussed getting together tomorrow afternoon to have a team meeting. We should set a time, how does 2:30 or 3:00 pm work for on-site meeting?

Thanks

Mike C.
